(An Autonomous Organization under the Ministry of AYUSH, Govt. of India)

PANCHAKARMA TECHNICIAN COURSE

The All India Institute of Ayurveda is an apex Autonomous Institute under the Ministry of AYUSH, Government of India. A satellite center of the institute was established in Dhargal, Goa in the year 2022. This newly developed satellite center boasts state-of-the-art infrastructure and has been mandated to set the highest standards of education, research, patient care, and function as a Center for medical value tourism. A well-equipped Panchakarma facility is available at the center.

Considering the global demand for Panchakarma therapies, trained manpower in this field is the need of the hour. The Panchakarma technician course offers excellent job opportunities in Ayurveda hospitals, medical tourism resorts, and wellness centers across the globe.

The All India Institute of Ayurveda, Goa, invites applications for a One-Year Panchakarma Technician Course for the academic year 2024-25 from eligible candidates in the prescribed format, which can be downloaded along with other details from the website aiia.gov.in.
